Fellow numismatists:-

This catalog is being sent to a far greater number of potentially interested collectors of the various series included in this mail auction sale than our normal group of subscribers and friends.

Your attention is called to the Terms of Sale. The only modification will be in number five. In the few instances where a duplicate is available, the two highest bids will each receive the lot at the same price, which will be a normal advance over the third high bid.

This sale starts with a remarkable number (over 500) of Roman Republican and Roman Imperial issues which are carefully catalogued and graded - as are every one of our listings. Following these are coins covering a broad span of worldwide issues, especially rich in Modern Mexican and Spanish American varieties.

Successful bidders and those whose bids are reasonable will receive our next Public and Mail Auction Catalog. Ridiculously low bids will be ignored. We always get a few who bid a tiny fraction of the numismatic value of a coin. Such bids are a waste of time for the bidder and for us.

There will NOT be a list of prices realized printed after the sale. However, interested bidders may obtain a record of the results on one or a few lots (up to six) if they send in a stamped self-addressed envelope to facilitate our reply.

Public and Mail Auction Sales will be held every spring and autumn with additional sales being presented to supplement these. At least one and possibly two Mail Auction Sales will be held each year covering many offerings not always appropriate to Public Auction. Make sure you receive our catalogs. Inactive recipients of our catalogs will be removed from our mailing lists as we note the lack of response.

In our vault awaiting future sales are many consignments which include every field of numismatics. Ancient Greek bronzes, many countries almost complete by Yeoman types, Latin American, European and U.S. coins are all here. Collections and dealers stocks will be featured in the future as they have been in the past.

I look forward to hearing from you and to receiving your bids for this sale.

Sincerely,

HENRY CHRISTENSEN
